to be installed at

\_\_\_\_\_

The installation of your home is an important part of the performance of our product. Accordingly, we have reviewed the rules and regulations regarding installation in the state of Minnesota and make the following disclosure to you:

For manufactured home communities in the State of Minnesota on sites where parties have elected to install a Liberty Home with footings above the frost line on a pre-existing home foundation, Liberty Homes, Inc. will accept the installation as conforming for warranty purposes so long as the installer follows all other aspects of Minnesota Chapter 1350.2600 and 1350.2700 and such installation is acceptable to the authority having jurisdiction. Follow Liberty's Installation Instructions for all requirements except as noted in this amendment.

I have presented and fully explained the foregoing disclosure and the consumer has elected to display their acceptance by signing below where indicated.
