Disclosure of Business Owners, Partners, Officers and Members

This form must be completed by all business types.

Minnesota Statutes § 270C.72, Subd. 4, requires the Department of Labor and Industry to require contractor license applicants to provide their Minnesota Business Identification Number and the social security numbers of all individual owners, partners, officers, and other members of the business entity, who are liable for delinquent taxes. The Department of Revenue may order the Department to revoke or not issue the license of any applicant who has not filed tax returns or is delinquent in paying taxes. An individual's social security number is classified as private data and will only be supplied to the Minnesota Department of Revenue, which may supply this information to the Internal Revenue Service, or may occur as authorized or required by law. Failure to supply the required information may delay or prevent the Department from processing the original or renewal application. Once you are licensed, all information on this form with the exception of your social security number and nondesignated address becomes public data and may be released to anyone upon request.

If the business is an individual, partnership, corporation, foreign corporation or a limited liability company, the names, addresses, social security numbers, and signatures of all additional owners, partners, officers, or members owning 10 percent or more of the company, must be completed on this form. Please copy this form if you need additional space.
