

## MEMORANDUM

**DATE:** June 8, 2007  
**TO:** Interested High Pressure Piping Industry Stakeholders  
**FROM:** Thomas R. Joachim  
Assistant Commissioner  
**PHONE:** (651) 284-5018  
**SUBJECT:** Newly enacted Board of High Pressure Piping Systems

The 2007 legislative session established a Board of High Pressure Piping Systems to adopt the high pressure piping code and any amendments, adopt rules that regulate the licensure or registration of the high pressure piping industry and issue final interpretations of the high pressure piping code.

The Board of High Pressure Piping Systems has 12 appointed members who must submit an application to the Secretary of State, who will then pass it on to Governor Pawlenty for review and subsequent appointment or denial based on the qualifications submitted by the applicant. All appointments made by the Governor will be made with the advice and consent of the Senate.

To submit an application, please click on the first Web site address below, complete the application and submit it to the Secretary of State. The Board of High Pressure Piping Systems has eight member categories. To review the member categories, duties, compensation, voting, or procedures, please click on the second Web site address below.

1. Download the application form at [www.sos.state.mn.us/docs/oa\\_application.pdf](http://www.sos.state.mn.us/docs/oa_application.pdf) on the Secretary of State's Web site.
  - a. Fill in the line marked, "Agency Name," as "Board of High Pressure Piping Systems."
  - b. Fill in the line marked, "Position Sought," with the one area you represent and are applying for on the board, such as a:
    - i. high pressure piping inspector
    - ii. licensed mechanical engineer
    - iii. high pressure piping industry representative
    - iv. high pressure piping contractor (metropolitan area or greater Minnesota)
    - v. high pressure piping journeymen (metropolitan area or greater Minnesota)
    - vi. industrial company
