Communications	Session summary	Session summary	Session summary & Draft Report	Report
Metrics	Plus/Delta debrief	Plus/Delta debrief	Plus/Delta debrief	Survey of Industry Workgroups

Is the Agriculture Industry alone?

- ❑ Short Answer – NO
 - ❑ This workforce development conversation is taking place in every industry across the nation
 - ❑ Goal – higher efficiency and effectiveness, while taking on a more systematic approach in a rapidly changing & growing global economy
- * [Success in the New Economy link](#) – written for students by a community college

Framing the PIPELINE Project

Dr. Brian Buhr

Dean

University of Minnesota, CFAN

Minnesota P.I.P.E.L.I.N.E. Project

Private Investment, Public Education, Labor & Industry Experience

Project Goal:

To develop

- industry approved competency standards
- for three occupations
- in four critical growth industries

Competency Standards Framework

Group Activity: Occupations

What occupations are
needed?

What are the Skills,
Knowledge and Abilities
needed?

Next Steps & Closing

Agriculture Industry Council Meeting II: **Sept. 30, 2014 at DLI at 9:30 – 11:00**

Goals:

1. **Learning:** Competency Standards currently used in Minnesota, U.S. and Internationally
2. **Decision Making:** the 3 occupations for which this industry council will develop competency standards.
