

Certificate of Compliance

Who is responsible for completing this form?

Any business or individual operating a business in Minnesota and is required to apply for a license or permit at a local licensing agency must complete this form when applying for a permit.

Why is this form necessary?

The purpose of this form is to ensure compliance with the workers' compensation insurance coverage requirement of Minn. Stat. § 176.182, so that any and all employees working for a business in Minnesota are protected by a workers' compensation insurance policy in the event of injury.

What will this form be used for?

This form will be used by local licensing agencies to issue permits.

When is this form required?

This form is required any time a business or individual wishing to do business applies for a license or permit in Minnesota. It is also required whenever a workers' compensation insurance policy is canceled or changed within a license or permit period.

Where is this form sent?

Upon a request, to the licensing authority, this form will be reviewed by Minnesota Department of Labor and Industry to verify workers' compensation coverage as required by Minn. Stat. § 176.182.
