Instructions

1. Completed reports require proof that workers compensation insurance included coverage for worker classification 2702- Loggers. Examples of proof include but are not limited to State Premium Calculation Reports, Commercial General Liability Coverage Part Declarations, Workers Compensation Schedules, or Schedule of Classifications. Proof must include the coverage amount. This information is available in your workers' compensation insurance policy.
2. If you are claiming wages higher than your Loggers insurance coverage then a letter of explanation must be included explaining why.
3. Wages for employees classified as loggers for workers' compensation insurance purposes are the only wages that can be reported.
4. Only the wages paid to Loggers who attended a safety seminary during the calendar year can be included on this report. Attendance will be verified with the Minnesota Logger Education Program.
5. Reports of wages paid to qualified loggers must be received or postmarked no later than **February 15, 2019**. Late reports will not be eligible for a rebate (Minn. Stat. 176.130, sub. 6). Under no circumstances will filing extensions be granted.
6. Wages reported may be shared or verified with your workers' compensation insurer (Minn. Stat. 176.130, sub. 5b).
7. Reports containing missing information will not be accepted and will be returned. Resubmissions will only be accepted if they are received no later than February 15, 2019 (Minn. Rules 5222.3006, subp. 3).
8. Rebates will be issued no later than June 1, 2019. Contact Tiffanee Christianson at (651) 284-5246 or by email at tiffanee.christianson@state.mn.us with questions.
9. Completed reports should be emailed to tiffanee.christianson@state.mn.us or can be mailed to:
