

# **Minnesota Association of Rehabilitation Professionals**

**Greta Borman, MARP  
President**

**Joanna Page, MARP  
Membership Director**

---

# Advocacy

Minnesota's worker's compensation system is highly regulated. MARP serves as the voice of rehab professionals with the legislature and with the Department of Labor and Industry.

We listen to our members and provide input when changes are made to the Rehabilitation Rules and statutes and laws impacting rehabilitation.

# Why Join MARP?

- MARP is a professional organization for QRCs and other rehab professionals (placement specialists and vocational evaluators) in Minnesota.
- MARP is dedicated to promoting effective rehabilitation, disability management, and return-to-work services while enhancing the competency of rehabilitation service providers.

---

# Networking

MARP offers numerous opportunities for rehabilitation providers from different firms to connect professionally and socially, allowing members to learn from one another and promote best practices.

Rehab is a small community and we want to stay connected.

---

# Education

MARP sponsors free or low-cost continuing education seminars to help members stay updated with their certification, and stay abreast of developments in the field.

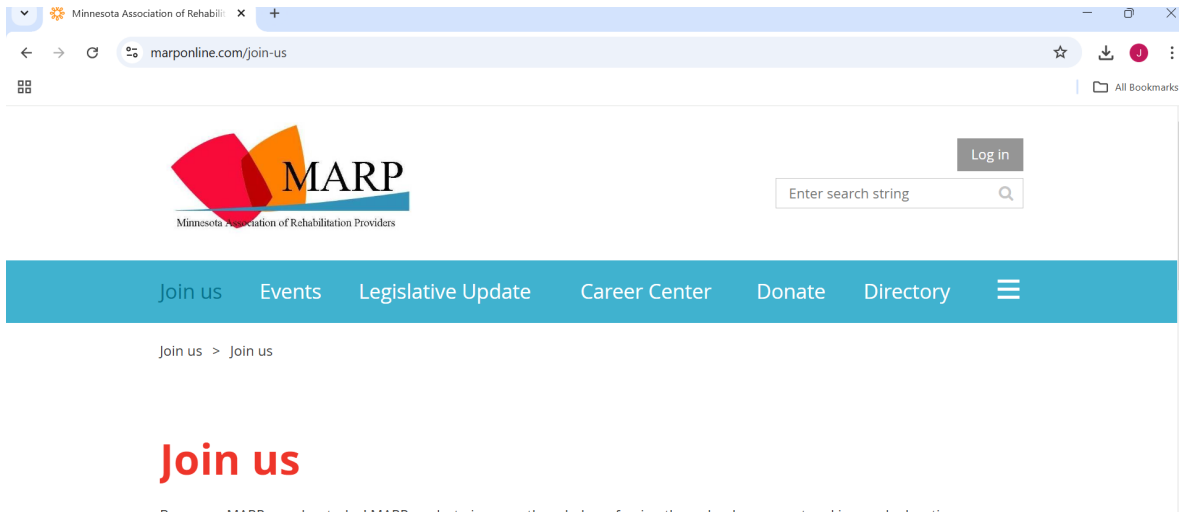

MARP typically hosts a fall and spring conference, and will be adding webinars and online education for members. Continuing education credits are offered for CRC, CDMS, CCM and CVE.

While non-members can attend our conferences, members pay a deeply discounted rate.

**Mark your calendars for the MARP Fall Conference on October 10, 2025! New Location: Royal Cliff Event Center in Eagan**

# How to join MARP?

- You can join MARP at our website [www.marponline.com](http://www.marponline.com)
- Member dues are \$100 per year, and can be set to renew automatically.
- QRC Interns can join free for a one year period!
- Many firms offer reimbursement for your membership dues. Check with your firm.

---

## Interested in getting more involved?

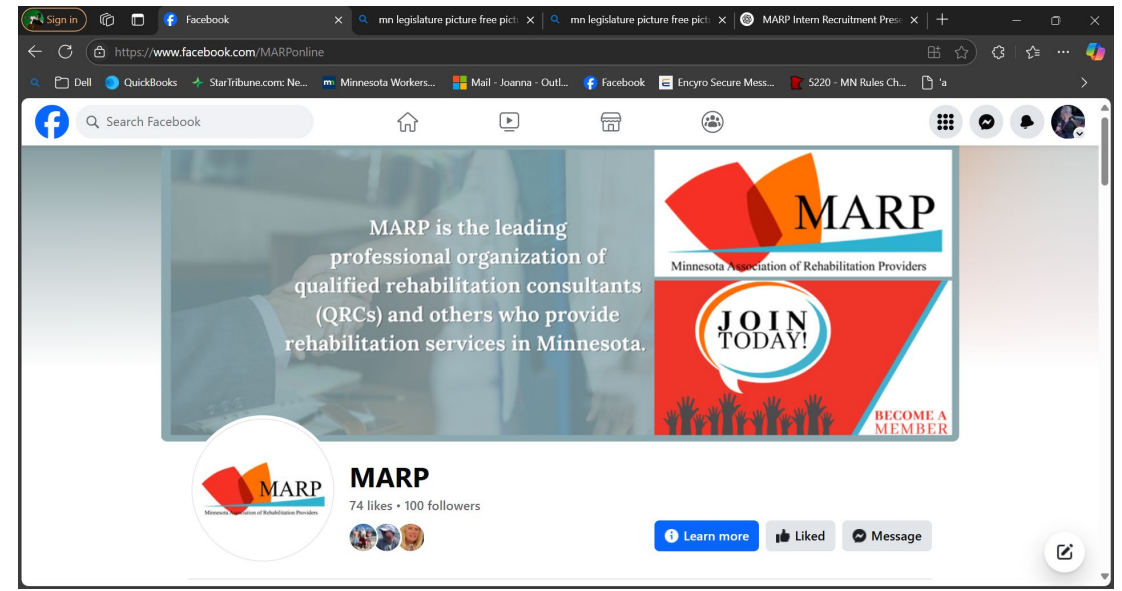

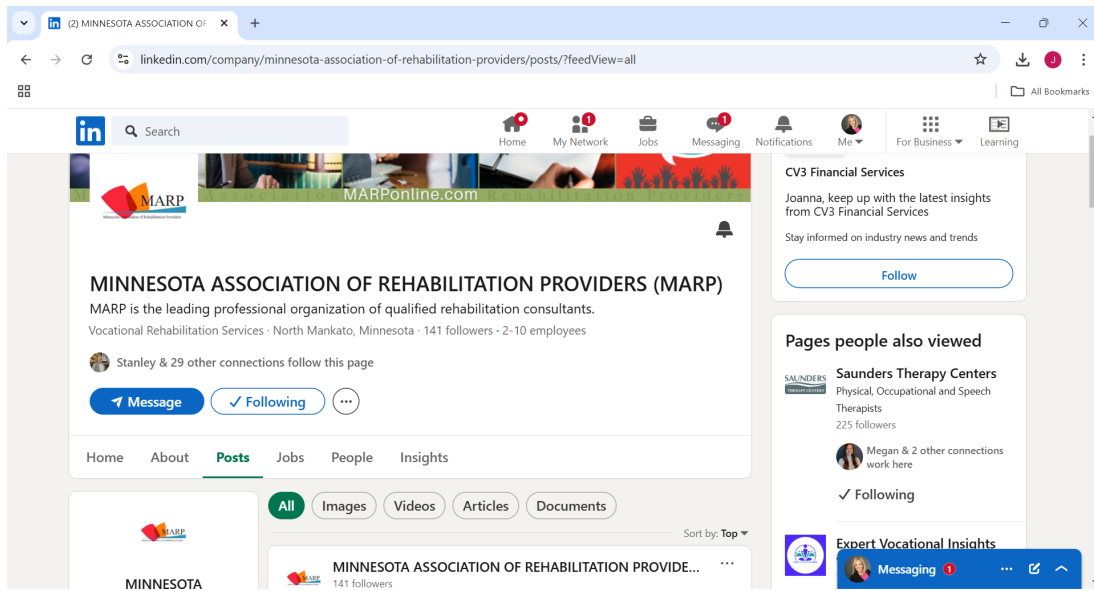

MARP is guided by a board of directors, elected annually in the spring. Some positions are a one-year commitment and some are two years. The board meets monthly on the first Monday at noon.

We are always looking for emerging leaders, so consider joining the board.

Board positions include President, President Elect, Past President, Treasurer, Secretary, Membership, Program, Website, Placement, Communications, etc. There is always a need for more help!

# You can also follow us on LinkedIn and Facebook
