

Labor Standards information for employers

ABOUT LABOR STANDARDS

The Department of Labor and Industry's (DLI's) Labor Standards unit protects the rights of workers and educates employers and employees about their rights and responsibilities under Minnesota employment laws. Labor Standards is committed to helping employers prevent employment law violations before they occur.

RESOURCES

Three resources are recommended for employers to stay in compliance with labor standards laws.

1. Stay up to date using the DLI website – www.dli.mn.gov – and subscribing to our monthly Wage and Hour Bulletin.
2. Contact us if you have any questions. Labor Standards is open from 7:30 a.m. to 6 p.m., Monday through Friday, at 651-284-5070 and dli.laborstandards@state.mn.us.
3. Invite Labor Standards to meet with your company or business association. We meet with businesses, nonprofits and others to give presentations about and explain Minnesota's labor standards laws. Call or email us to discuss your needs.
