Rules Governing Registration of

**ORDER ON REQUEST TO OMIT
FROM THE NOTICE THE TEXT OF
PROPOSED RULES, PURSUANT TO
MINN. STAT. § 14.14, SUBD. 1(B)**

This matter came before Chief Administrative Law Judge Jenny L. Starr on May 30, 2024. The Minnesota Department of Labor and Industry (Department) seeks an order authorizing the omission of the proposed rule text when it publishes the Notice of Intent to Adopt Rules Without a Hearing (Notice). The Department asserts that publication of the proposed rules in the *State Register* is cost-prohibitive.

As an alternative to publication, the Department pledges that the Notice will state that a free copy of the entire proposed rules will be available upon request to the Department and state how to make that request. The Notice also will identify the website link where a copy may be obtained. Finally, the Notice will state the subject matter of the omitted rules, cite the statutory authority for the proposed rules, and outline the proposed rules' purpose. In addition, the Department's Statement of Need and Reasonableness (SONAR) shall be transmitted as outlined in the Notice Plan. The SONAR must be available free of charge by request and posted on the Department's website.

IT IS HEREBY ORDERED THAT:

Conditioned upon the Department's use of the procedures outlined in its petition of May 30, 2024, the petition to omit the proposed rule text is **GRANTED**.
