MN Rules Part 5219.0500, Subp. 4. Adjustments. On October 1, 1994, and on October 1 of each succeeding year, the fees in this part must be adjusted by the percentage determined under Minnesota Statutes, section 176.645, in the same manner as the conversion factor of the relative value fee schedule is adjusted under Minnesota Statutes, section 176.136. This provision does not apply to expenses under subpart 3, item E, subitem (1) ...

* Based on Producer Price Index for offices of physicians (PPI-P).

¹ No annual adjustment to conversion factors to offset legislative changes in reimbursement for chiropractic conversion factor. IME fees are adjusted per MN Rules Part 5219.0500, Subp. 4, in the same manner as the adjustment of the conversion factors. Because there is no annual adjustment in the conversion factors, there will be no adjustment in the IME fees on 10/1/2005.
