INSTRUCTIONS

Employer must complete the Work Experience Verification Form.

READ CAREFULLY BEFORE COMPLETING THIS FORM

REGISTERED UNLICENSED INDIVIDUAL WORK EXPERIENCE

Registered unlicensed individuals, as part of renewing their registration, must provide verification of their employment by a licensed contractor or registered employer during the registration period. This form reports the verified hours and is adapted for use by unlicensed individuals registered to perform electrical work. The reason for verifying work hours each year along with renewing a registration is so the registered individual does not have to verify these hours when applying for a license examination. Verifying hours annually when renewing a registration enables the department to gradually qualify an individual for examination, which makes for quicker approvals.

- Address information on the form is the unlicensed individual's mailing address. Updates to the individual's personal or mailing address may be noted on the registration renewal form. Address changes may also be made by emailing dli.license@state.mn.us
- Provide exact dates of employment during the 12-month registration period (expiration date of unlicensed registration card). Include the month, day, and year.
- Indicate whether the hours reported on the form are taken from payroll records; and if not, specify the other forms of documentation used to verify the individual's work experience.
- For each class of work identified, enter the actual hours the individual performed that class of work during the registration period. (Note: Blanks will be assigned 0 hours.)
- Enter the total number of electrical work hours verified, which may not exceed 2,000 hours.

EMPLOYER INFORMATION (MANDATORY INFORMATION)

- Enter the employer's business name, address, license or registration number, contact's phone number, and email address. (NOTE: License number is mandatory, if business holds contractor license number.)
- Enter the employer's designated responsible individual's name and license number. The individual's license number must match what the department has on record as the designated responsible individual and license number.

OUT OF STATE WORK EXPERIENCE

- Provide exact dates of employment during the 12-month Include the month, day, and year.
- Indicate whether the hours reported on the form are taken from payroll records; and if not, specify the other forms of documentation used to verify the individual's work experience, must be verified by an individual/business that is properly licensed to perform that work in that state..
- For each class of work identified, enter the actual hours the individual performed that class of work during the registration period. (Note: Blanks will be assigned 0 hours, total number of electrical work hours verified, may not exceed 2,000 hours.)
- If self-employed provide two written statements from either authorized electrical or building inspector or other electrical contractors conducting business in the same vicinity per Minn. Rule 3800.3520.

Certification Signature and Date

- The employer's designated responsible individual must certify, with a signature, that the registered unlicensed individual performed the identified classes of work for the number of hours entered on the form during the 12-month registration period.
- The registered unlicensed individual's signature on the form acknowledges agreement with the information verified by the employer.
