CODE BOOK

The 2020 Minnesota Building Code Administration is incorporated into custom code books published for Minnesota by the International Code Council (ICC). There is no longer a need to separately purchase the ICC model code and Minnesota amendments and refer to them both. Now they are contained in a single reformatted Minnesota-specific code book.

The Minnesota Building Code Administration is available for free online viewing or can be purchased in soft-cover format as part of Minnesota's other published codes.
